

March 20, 2014

Dear Colleague:

On behalf of the International College of Nutrition (ICN) and Ubonratchathani University, it is my pleasure to invite you to attend the 18th World Congress on Clinical Nutrition (WCCN) to be held on December 1-3, 2014, at Sunee Grand Hotel & Convention Center, Ubon Ratchathani, Thailand. The theme of the Congress is "Agriculture, Food and Nutrition for Health and Wellness".

This Conference will bring together practitioners, researchers and educators from around the world who are engaged in the fields of indigenous food products, functional foods, bioactive ingredients, nutritional factors, traditional and alternative medicine, and dietary management. The Conference will continue the WCCN series started in New Delhi in 1988, the latest one being held in Sofia, Bulgaria in 2013, to highlight significant developments in research and innovations in agricultural, food, nutritional, pharmaceutical and medical technologies, with an emphasis on health and wellness. The Conference will feature a series of presentations and discussions in plenary, concurrent and poster sessions, informal gatherings, and exhibitions.

Please note that this invitation for participation does not, in any way, financially oblige either Ubon Ratchathani University or International College of Nutrition for the expenses you incur for travel and conference attendance, and all conference participants are expected to pay the registration fees according to conference policy.

We look forward to welcoming you at the 18th World Congress on Clinical Nutrition in December 2014.

Sincerely Yours,

Assoc. Prof. Dherapol Bansiddhi
Dean and Chairman of the Organizing Committee
Faculty of Agriculture,
Ubon Ratchani University,
Wanrinchamrap,
Ubone Ratchathani province, 34190, THAILAND
